NOTE: The effective date for MassHealth and Health Safety Net is expected to be 3/1/24

- Section 300-funded health centers maintain a fee schedule and corresponding sliding schedule of discounts based on ability to pay.
- Section 330-funded health centers provide a full discount to patients at or below the poverty level and a sliding fee (at least 3 thresholds) for patients between 100% and 200% of FPL.
- State / local programs have their own income-based eligibility guidelines; this schedule is provided as a resource that may be helpful with other programs.
- Accuracy of income and family size information is key / essential to program reporting.
